12:20 p.m. BEEEEEP!

"Boy, the bells sound really bizarre."

"Well, at least the beep wakes me up. The clocks are on time now, too."

"Hey! Have you been to the new cafeteria?"

"Yeah! It's so neat. I can't believe it. I mean the whole thing is totally new. It's great! Even the food is decent."

"I went to see the Band and Student Activities building this morning. Man, I wish our classrooms would look like that."

"I know."

"What's that noise?!"

"I dunno. It sounds like a jackhammer."

"And what's that terrible smell?! Hey, there's a guy on the roof over there."

"Yeah, and look at the quad and the Administration Building. It looks like someone dropped a bomb."

"Looks pretty sad. Well, I have to go to the library. Where is it now?"

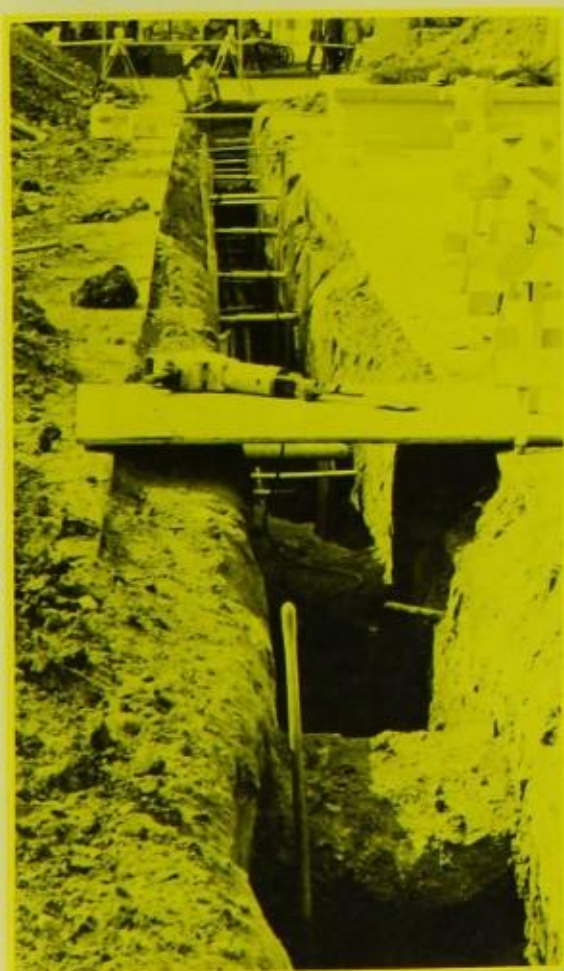

"I know that. Oh yeah, it's in Saxon Hall, Let's go."

In the library . . .

"Did you go to the dedication of the cafeteria last night?"

"Yeah. It was pretty interesting. There were so many important people there. You know, we're pretty lucky to come to this school. We're going to have the best facilities around like a new library, administration building, Saxon Hall, and gym."

"It sure costs a lot and it's a pain what with the noise and all. Still, it's worth all the trouble."

# ACTIVITIES

What activity do you look forward to the most?

Keith Cambra-The Prom; it's a once in a lifetime event.

Eric Nomura-I like activities in which the students and the faculty are involved in a contest. It's fun to see what teachers can do besides teach.

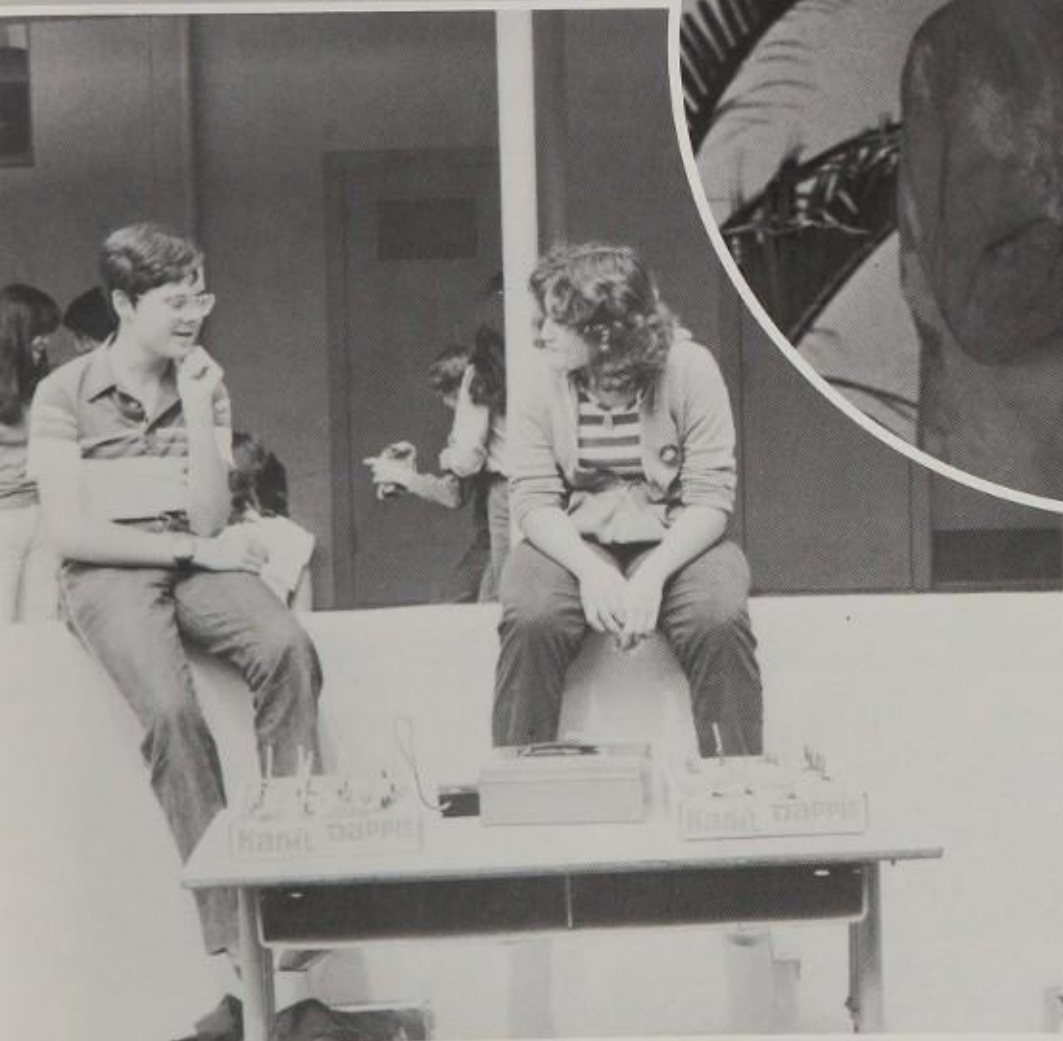

Roy Nozaki-Multi-Cultural festival; it's a real treat to see how many different cultures we have in our school and I enjoy all the different costumes of the cultures. The highlight of this day is to get the great Japanese food.

Eric Ige-Sadie Hawkins'; I don't have to pay for anything and it is fun.

Sharon Aspray I look forward to the Winter Semi-formal the most because it is fun and exciting. I like to get dressed up and go out with a special person.

Vicki Reed-Dances; they're groovy!

Miss Nazon-I enjoy the all-school BBQ and **any** afternoon activity schedules. Why? They give me a break from those long teaching days.

# Alter ego day at North

"Pumpkin Carving is what I look forward to the most. I really like to cut and gut things and get dirty. I especially like to make a real mess."

**Charles Yoon**

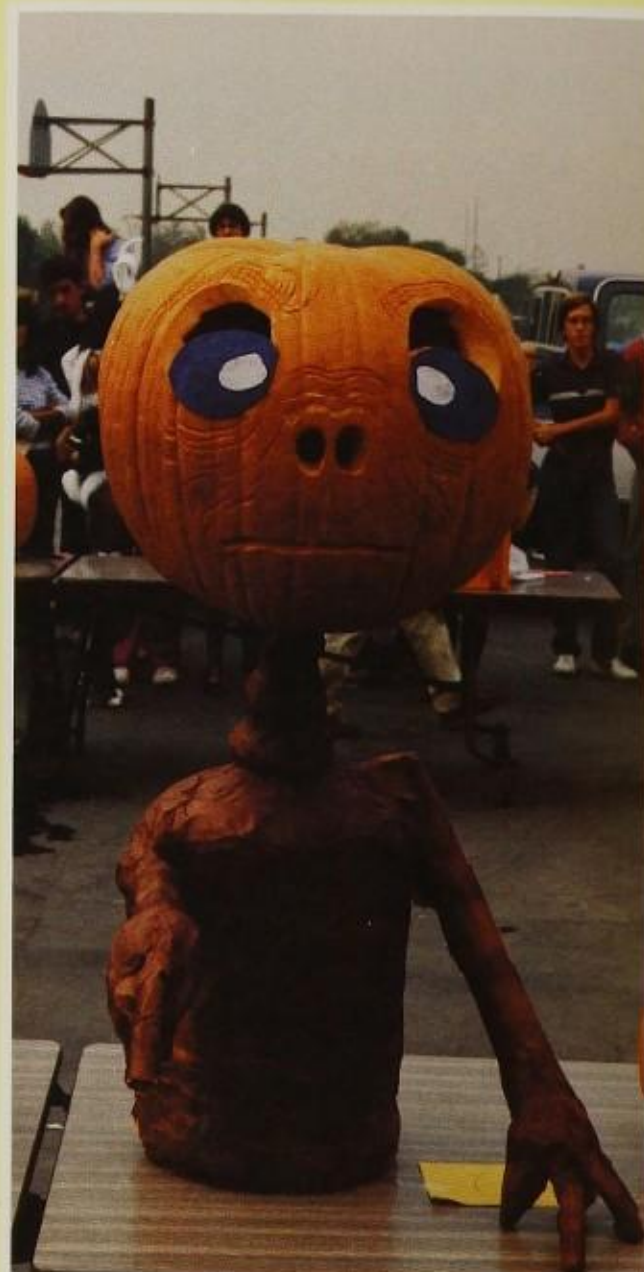

October 29, 1982 marked the day of the fifth annual Pumpkin Carving Contest and the first annual Costume Contest. Great skill, careful work and creativity were evident in all entries.

The two categories in this year's Pumpkin Carving Contest were entries with props and without props. First place in the category with props went to **CSF**. The **Chess Club** took first in the category of entries without props.

The Costume Contest had 30 contestants from which three winners were chosen. The categories included: Most Original, Scariest, and the Wild and Craziest.

Not your average Saxons; scary (?), crazy, original ...

# Once upon a time ....

"..." before "there lived" a race of mighty people called the Saxons. Every year, it was a custom to choose a new king and queen amongst the people. Many wished to rule but only 22 were chosen as final candidates. These 22 Saxons were tested for their strength and abilities. These tests included the following: The daring Lifesaver pass, the harrowing baby bottle feed, the exciting Tug-of-War, and the thrilling relay race. Out of these 22 only ten, five princes and five princesses, were selected.

# The new reign

Finally, the day came for the coronation. First, a battle had to be fought in honor of this fabulous event. On the grassy plains of North, the brave Saxon warriors fought the fierce Titans. In the lull of the battle, the dazzling princess, **Jessie Dumapias**, was crowned Queen. The battle ended and the Saxons were defeated. Nevertheless, the Saxon spirit was still strong and the subjects of the kingdom celebrated a battle well-fought. As the evening wore on, the time finally came to announce the new Saxon King. All cleared the dance floor and the ceremony began. A roar of delight filled the great hall as the handsome prince, **Darin Kato**, was coronated King of the Saxons.

The ball ended at the stroke of midnight, leaving the Saxons with an over all feeling of satisfaction with the crowning of the new king and queen.

An overjoyed **Jessie Dumapias** is crowned Homecoming Queen.

**Mrs. Kato** proudly watches as her son **Darin** is crowned Homecoming King.

# Seasons Greetings

Christmas is a time which promotes goodwill and joy to all. Each holiday season brings a slew of fun activities and extra big smiles for everyone. This year's Saxon Christmas activities included a mini-float decorating contest, which was won by the Julians and Valiants, and a Christmas assembly featuring North High's Music Department. This season, as in the past, students and teachers alike gave joy and happiness through their contributions to the Can Food Drive and Toys for Tots.

## All School Barbeque

# Come 'n get it!

It's November 17th and you are sitting in fourth period, listening to your stomach rumble. It is five minutes before lunch and everyone begs the teacher to be let out early. "Please let us go; the lines are going to be so long!" Your teacher finally agrees and everyone rushes out the door. You reach the cafeteria and, finding that you are almost first in line, you hand over your money. In return, you are given a plate filled with appetizing food. As your stomach growls even louder, you and your friends make your way to the field. You watch the water balloon toss and the three-legged race while enjoying your meal and wish that all-school barbecues and long lunches were everyday occurrences.

What has two heads, four arms, three legs, and no coordination?

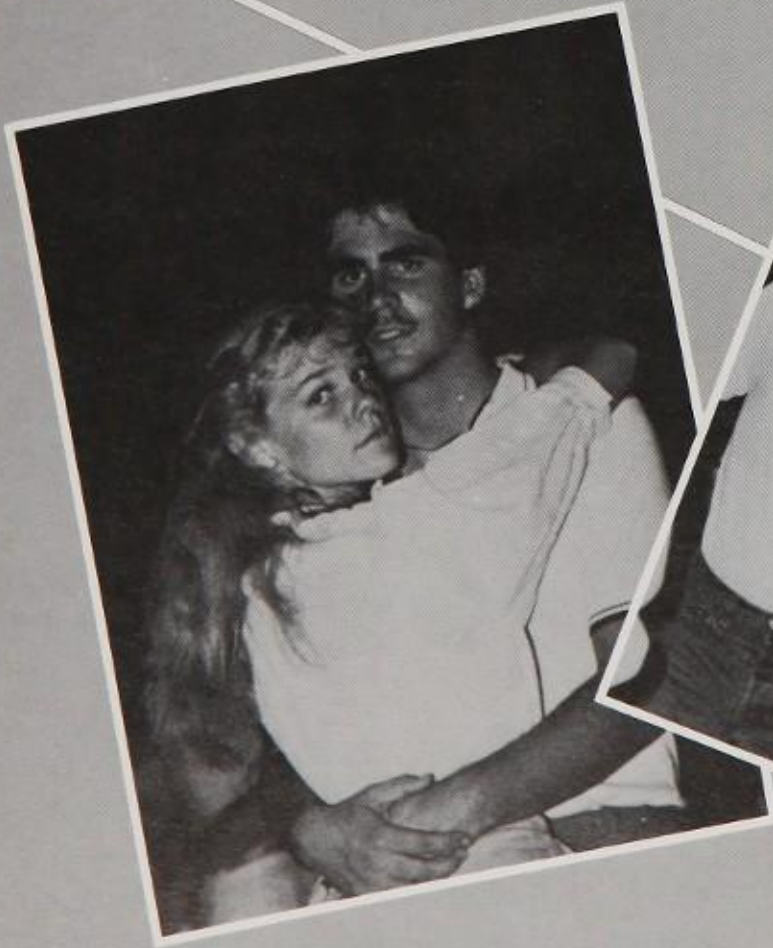

Saxons anticipate a good meal.

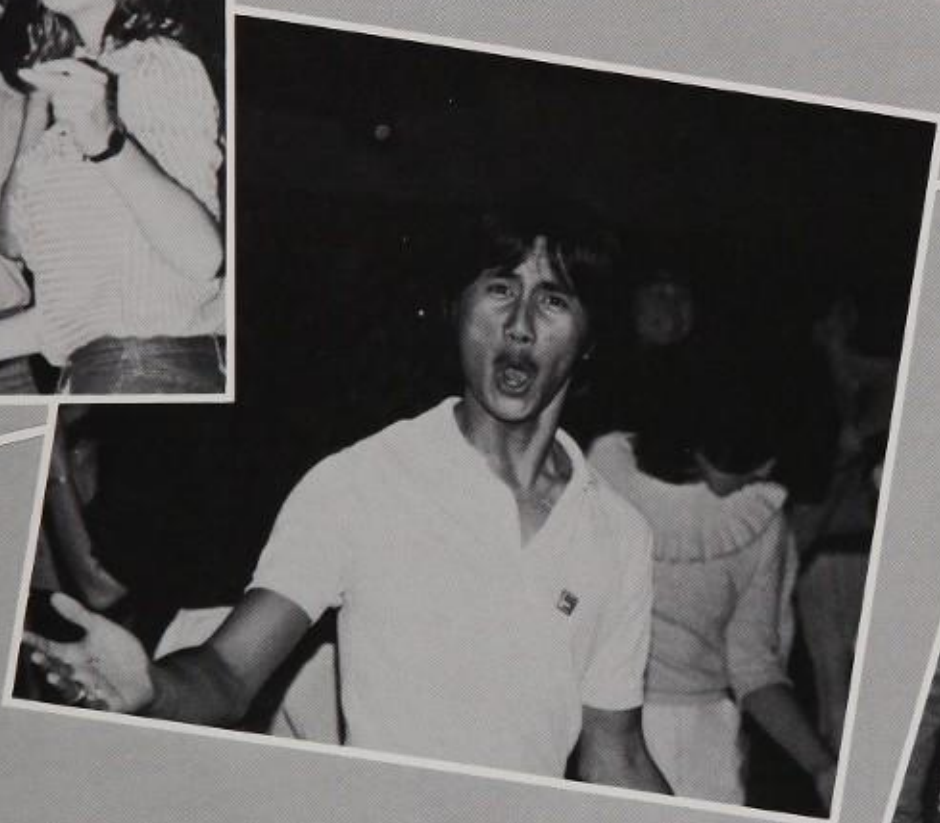

"Be free!"

## Dance Production In Concert

The sixth annual Dance Production, "In Concert," was held January 18th and 19th in North High's new music hall. Directed by Modern Dance Instructor, **Nancy DeLancey**, and assisted by **Mrs. Howes**, the Dance Production provided great entertainment and a display of exquisite talent. Each act had to pass two auditions and provide for their own costumes, make-up, and hair design. The majority of the acts were choreographed by the dancers themselves. Sophomore **Krissy Cababa** commented, "It was a lot of fun and all of the acts were great. The most important thing was that everyone, performers and audience alike, enjoyed themselves and had a great time."

**Mayumi, Helen, and Debbie** flap their wings to the beat.

**Pep Squad** performs the closing number.

**Michelle Nakamura** adds some Hawaiian culture to the production.

**Lisa Endo** and alumni performers strut their stuff.

Senior Class Play

# "The Butler Did It"

**Kory Doyle** contemplates the situation.

"I'm feeling mighty low," says **Dan O'Hara**.

**Terri** and **Sylvia** don't seem to appreciate each other's company.

December 1, 2, and 3 marked the dates of the annual Senior Class Play. This year's play, "The Butler Did It," a mystery/comedy, was directed by **Gail Cottrell**, supervised by Drama Instructor **Thomas Koehring**, and starred **Terri Abels**, **Ron McCoy**, **Carole Vigna**, **Terrie Lopez**, **Demetri Grubbich**, **Paul Knight**, **Kory Doyle**, **Beth Henjum**, **Dan O'Hara**, and **Sylvia Auswegar**. This play, as well as other productions, was presented in the new music building and as the Seniors' last big fundraiser, the play was a success. Director **Gail Cottrell** remarked, "Overall the play did pretty good. It was a time for everyone to learn how to work together and have a good time. The play was well worth the time and effort that was put in."

The cast of "The Butler Did It" receives a nasty note.

**Demetri Grubbich** and **Ron McCoy** carefully watch the underhanded proceedings.

# Music makers

Flutists enchant the audience.

Big Band, jazz, pop, and Latin American music colored this year's Pop Concert. Under the direction of **Mr. Robert Jones**, the Band and Choir successfully entertained their audience on March 10, 1983 in North High's new music room. Highlights from the show included a jazz number, "Harlem Nocturne," and a saxophone solo from Senior **Anthony Paular**.

# "Meet Me In St. Louis"

Terri Abels prepares to attack Tom Christensen's leg.

"Meet Me In St. Louis" was a comedy about a family man, **Kory Doyle**, who is forced to move to New York. His wife and daughters, **Leslie Mowery**, **Terrie Lopez**, **Lidia Campisi**, **Adriane Flores**, and **Terri Abels** are not too keen on the idea. The girls devise a plan to prevent their father from being sent to the Big Apple by terrorizing his boss, **Tom Christensen**, and his co-worker, **Bernard Johns**. Their plan ends in disaster as the girls get their father fired. Fortunately, the Smiths' problems are resolved as the World's Fair begins.

"I enjoyed doing this play," commented Senior **Lidia Campisi**, "because it gave me the opportunity to make new friends and work with some really good actors. The play started with some difficulties, but in the end we were all pleased with our performances."

The characters of the play are fascinated by the fireworks.

"What's the matter with the way I dress?" asks Dan O'hara.

"Get your own box of candy," says Terri Lopez.

## Multicultural Festival

# A cultural experience

The second annual Multicultural Festival, held on February 16, 1983, provided a wide variety of cultural delicacies along with great entertainment. Held on the blacktop, the festival consisted of such foods as teriyaki sticks, taco salad, churros, egg rolls, corn dogs, Martian Martinis, and ice cream sundaes just to name a few. Non-food booths included balloons and photographs. On the entertainment scene, a fashion show, cultural dancing, and a performance by the choir gathered a large audience each. Overall, everyone got into the "cultural" spirit with zest, dress, and a lot of good cheer.

# ACADEMICS

"The growth of the human mind is still high adventure, in many ways the highest adventure on earth." Norman Cousins

The California Scholarship Federation, sponsored by **Mr. Glen Tanaka** is one of the largest organizations at North High. Members are required to maintain an average of three A's and one B with no F's or U's. Members meeting these requirements in at least four semesters in the tenth, eleventh, and twelfth grade are eligible for life membership. Eligibility for CSF Seal Bearer Scholarships, a gold tassel at graduation, and a gold seal on the diploma are some of the benefits of being a lifetime member.

Activities included pretzel sales, a college visitation to UCLA, ice skating, CSF Disneyland night, activities such as the Multi-Cultural Festival and the I.C.C. Carnival, and a end-of-the-year banquet. President- **Grace Maki**, Vice President- **Kim Tsujimoto**, Treasurer- **Carol Yonemori**, Secretary- **Cayme Ueno**, I.C.C. Rep.- **Sharon Hayashi**

Mmmm ... !

Hey wow! We're graduating! I remember you used to sit behind me in Korman's class freshman year and answer all the strange, bizarre questions she used to ask. Then there was Sikkemot(?) and Workman (your favorite (and you were her fave too! Haha) and at last Thompson. Whenever I remember my English classes I'll always think of you (esp. Workman-baby's class) Then there was Mr. Langley. Even though we didn't have the same class, we shared the same interesting (?) experience (I think).  
 (I think). *Grossing, sure! Of course, I hate women* and Mr. T. **Academic excellence**  
 Sadness! Anyways, take care and good luck at Val- whatever & wherever you're going to. I know that someday I'll see you in the paper for doing something tremendous (like murder or smuggling drugs) (No, no, no, just kidding)  
 Love- ☺

## Sammy Saxon

The North High School Achievement Awards, also known as the "Sammy Saxons" are presented in all areas of the school's curriculum. In each of the categories one student is awarded a Sammy Saxon trophy and there are three certificate winners. Although only one trophy was given in each category, all nominees attended the annual banquet in May, and it was a great honor. The candidates received the nominations from teachers who acknowledged their talents.

## Legislative practice

Boys' State, which was held at the California State University, Sacramento, is a fantastic program sponsored by the American Legion. We gained an insight as to how the state government operates in relation to county and city governments. We enacted legislation, enforced laws, and held court hearings, and basically everything our elected officials do but on a smaller scale.

My memories of Boys' State are really positive. To those that have the opportunity to go in the future, consider yourselves extremely fortunate. It is a valuable experience you'll never forget. **Darin Kato**, guest writer

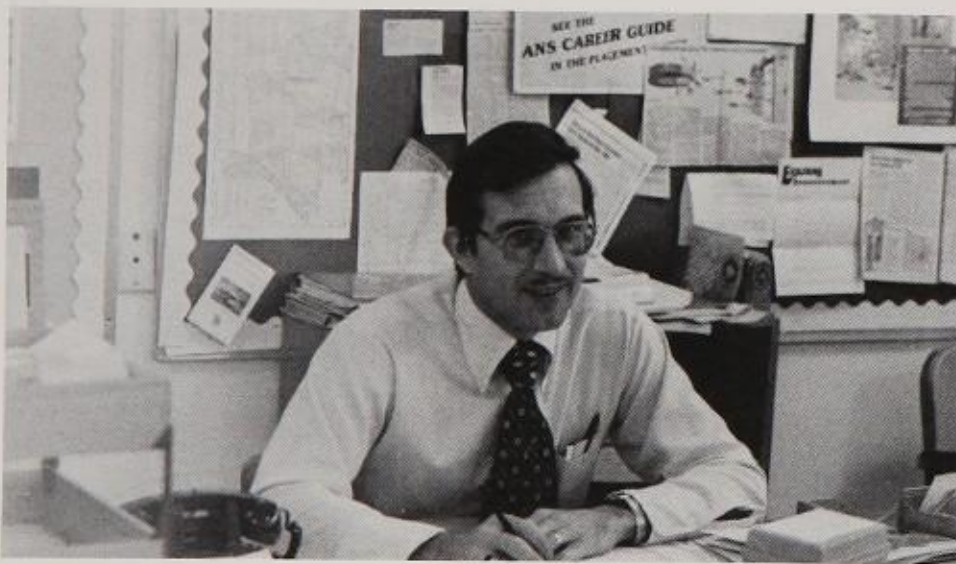

Boys' and Girls' State representatives, **Darin Kato** and **Karen Liebsack**.

My stay at Girls' State was the most unique experience in all of my school years. I spent a week at Sacramento State University with 500 girls my own age from all over California. It was a week full of learning how our government works and making special friendships.

I would like to give my special thanks and love to Miss Montgomery for nominating me and to the American Legion Auxillary for making this wonderful experience possible. **Karen Liebsack**, guest writer

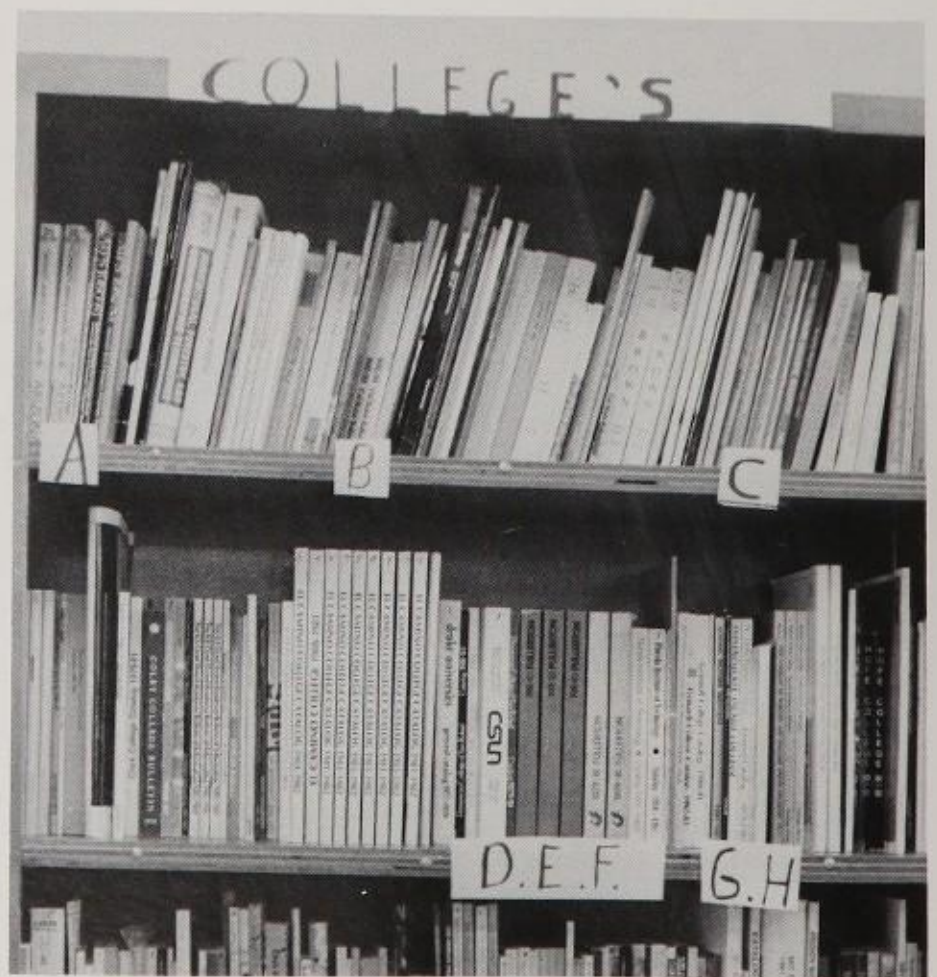

## Career Center

See **Mr. Haase** in the Career Center!

The Career Center, directed by Mr. William Haase, is the center of college and job information on North High's campus. Valuable reference materials can be obtained in a variety of pamphlets and college catalogues. Job opportunities are available through the Career Center along with work permits and college applications. North High is one of the few high schools with the advantage of having a career center located on campus.

APN members discussing upcoming plans.

The Alternative Program's main goal is to show that learning is a lifelong and exciting process. APN provides a program which allows students to take a part in planning their school curriculum and activities. An APNer may spend their entire school day in the Alternative Instruction Center participating in small group seminars and discussions or spend half of their day in the APN center and the rest in regular classes. Headed by **Dick Rose**, **Carole Shakely**, and **Dottie Carrion**, the APN program promotes individual growth and healthier attitudes toward others.

## Southern neighbor

"On June 20, 1982, my adventurous journey to Mexico began on the Greyhound Bus leaving the Los Angeles bus station. After traveling thirty hours, I arrived in Culiacan, Sinaloa where I met my exchange family. My thoughtful and kind family took me to several parts of Culiacan and Mazatlan. I learned about many of their laws and customs. For example, the legal age for obtaining a driver's license is 18. I really enjoyed myself, but all good things must come to an end. I hope to return someday soon and visit the family I left behind." **Letitia McMichael**, guest writer.

## Sister city

**Darin** ready to save the world.

**Darin Kato** with host families.

"My three week visit to Kashiwa, Japan was probably the most memorable event of my life. Sponsored by the Torrance Sister City Association, I was given the opportunity to live in a totally new environment, free from familiar language and customs. We stayed with a different family every week.

As we toured the city, located about 18 miles north of Tokyo, we visited many schools, factories, and business corporations. Day and weekend excursions were also planned so we could see the many temples and shrines in Tokyo, Kyoto, and Nara.

Three weeks may seem long enough, but time flies and you want to stay longer. It's simply just one of the greatest things that can happen to you." **Darin Kato**, guest writer.

"Being in the North High Band was like being in a temporary state of insanity. What sane person comes to school a month before the school year begins in order to have marching practices, or moves into a new million-dollar building only days before school begins? Not many people are even crazy enough to attempt to teach freshman how to march. Well, under the leadership of President **Frank Genovese** and Vice President **Eric Nomura** things went with only a small amount of problems.

Directed by **Mr. Robert Jones**, the band went on to the San Dimas Western Daze Parade and placed first in every category entered; the first time in North's history for a parade. Other parades were the Santa Ana Golden Days Parade, the televised Huntington Christmas Parade, and the Torrance Armed Forces Day Parade. Fast paced and totally crazy? "Student Council makes each year at North High unique not only for council members but also for the studentbody as well. In sponsoring Homecoming, Winter Sports Royalty, and other various activities, members benefited greatly by meeting people, learning responsibility, and working with others. "North High's Julians and Valiants is an organization which provides service to the school, community, and fellow students. We were involved in community activities such as visiting children in the Headstart Program, decorating the Torrance Rose Float, visiting a convalescent home, Special Olympics, and a couple of functions serving the handicapped and the mentally retarded. School activities included co-sponsoring a new students' party with Student Council, taking care of the marquee, book check-in and check-out before and after the school year, passing out programs at several functions, including graduation.

The Julians and Valiants is not an 'all work, no play' club. We had several parties, progressive dinners, and a three-day snow trip to Crestline. Serving has been a lot of fun and being in the Julians and Valiants has been a rewarding experience. I've met some great friends and I have memories that will last me a lifetime." **Barbara Sawyer**, president.

Decorating the IHOP rose float is **Kim Reineking**.

**Mr. Malmo**, co-sponsor of the J's and V's.

**Joe Bruscano** helping out at Headstart.

**Tim Cottrell** and friend making crafts.

Cabinet members take a break.

Yearly J's & V's trips to Crestline are full of entertainment.

Just another exciting day in Annual ...

"Sax just leaves me breathless ...", sighs Carol Fukuchi.

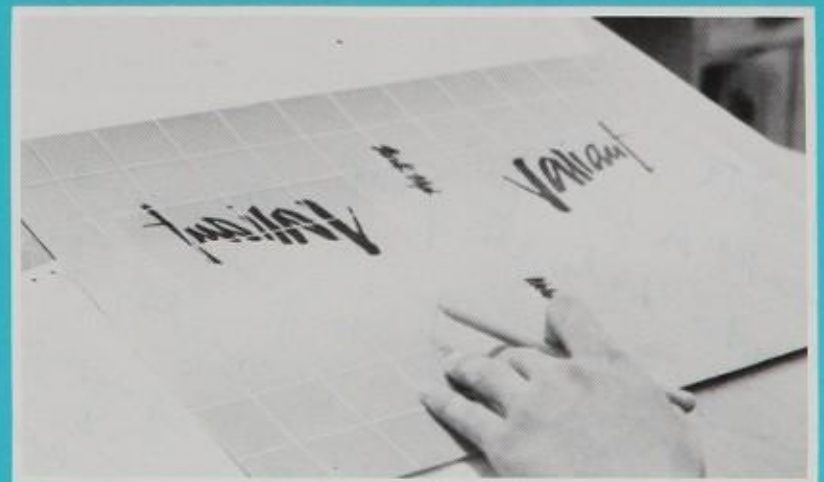

Our creative genius at work, Earl Morimoto.

Guess who?!

How you managed to con Mrs. Workman into "giving" you an 'A' without having read a single book. Or well, whatever works. Other than that you've been a good friend even if you do like all the wrong basketball teams. Have a good life and good luck in college. Friends. *Met*

Valiant cover in the making.

Scott, (a classmate)  
It's been a very interesting 3 years  
hasn't it? I'll never get over  
you are an 'A' without  
having read a single book. Or well, whatever works. Other than that you've been a good friend even if you do like all the wrong basketball teams. Have a good life and good luck in college. Friends. *Met*

# FOR EVERYONE

Scott,  
 Thanks a lot for  
 all the help in physics.  
 You're a super guy and I'm  
 glad I met you. Congratulations  
 on your many achievements. Good luck  
 at whatever that school is you going to.  
 Have a great summer - see ya around  
 friends,  
 Brian Mahari  
 Physics 3rd

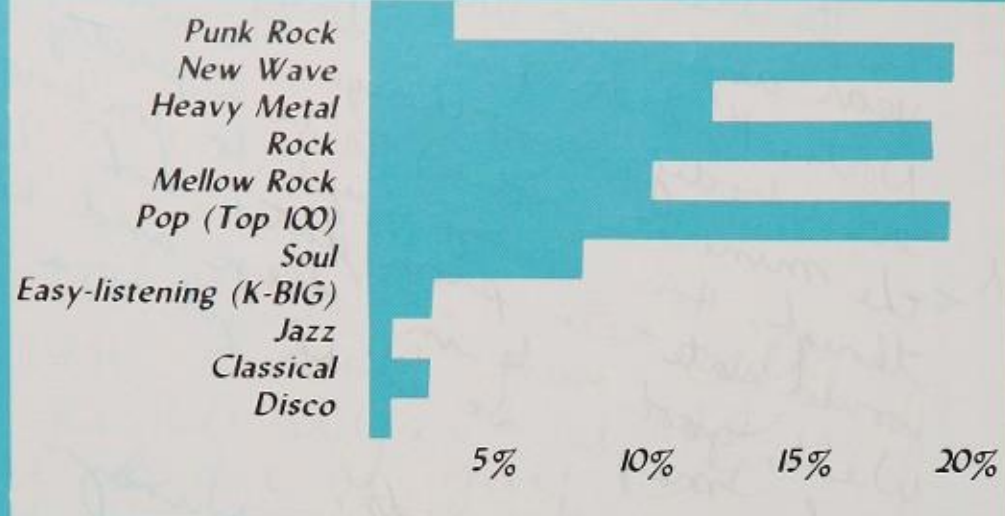

Scott,  
 It's been a great year and now we're leaving North. It's been fun, tagging on everybody, even though we were in the minority. (white) It's been pretty crazy though. How many guys do you know that would rate their prom dates, huh? About 9! Well, good luck in college and keep in touch. Maybe we could get up a basketball game...  
 Friends,  
 Robby Nunez

# MUSIC

Funk, mainstream rock, new wave, top 40, and rock-a-billy were just some of the many musical sounds of the year. As one spun the dial of their FM radio one could hear these sounds from stations such as KLOS, KUTE, KROQ, and KIQQ. Under funk, the Daze, Gap Band, Prince, and the Time hit it big on the charts. Missing Persons, Berlin, and Duran Duran, successfully carried the new wave trend while the Stray Cats introduced the rock-a-billy sound to the public. On the other side of the music spectrum, Men at Work, Fleetwood Mac, Pretenders, Tom Petty, and Journey were on the top 40/mainstream rock charts. Several solo acts such as Lionel Richie, Dan Fogelberg, and Pat Benatar were successful in various music categories.

Scott,  
I'm glad I've gotten to know you better this year  
even if you're a weird dude! The Prom was fun  
and our English project was awesome! Good luck in the  
future and get ready for that Angel  
game next month. You're a good friend so stay in  
touch over the summer.

Friends, Wayne "ST majestic" Miyasato

#### A DEDICATION OF LOVE

Friendship and love are two basic qualities,  
That cannot be disguised by the best of subtleties.  
Compassion, kindness, and a cheerful smile,  
Add up to a special kind of class and style.  
It doesn't take brains or special talent,  
But it's not for sale and not for rent.  
It comes from the heart, in pure innocence,  
Asks only for love, and seeks no recompense.

Joanne sought friendship and love above all,  
She'd turn and smile at anyone's call.  
Though we are sad because she's now gone,  
Through our example, her love will live on.

Sharon Y. Setoguchi

# SPORTS

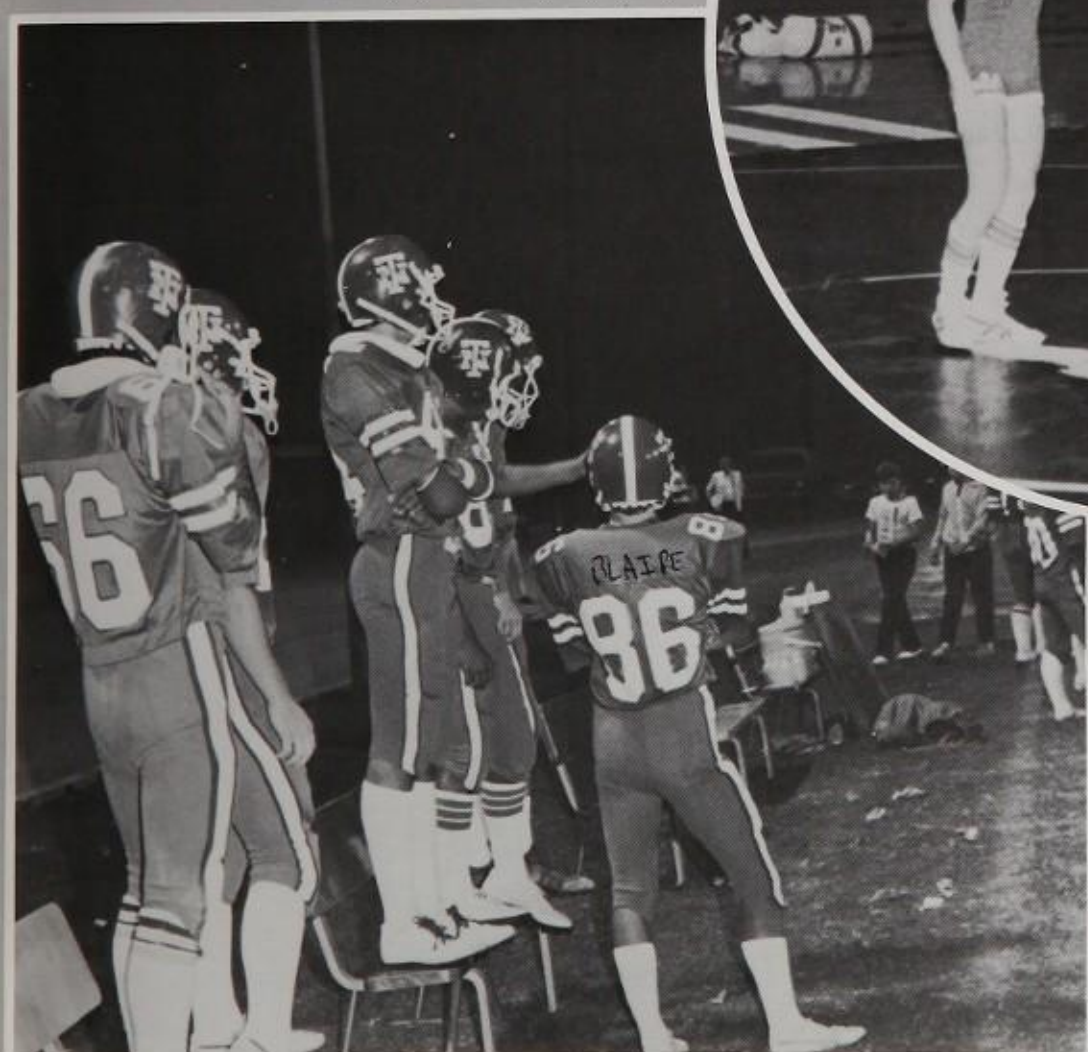

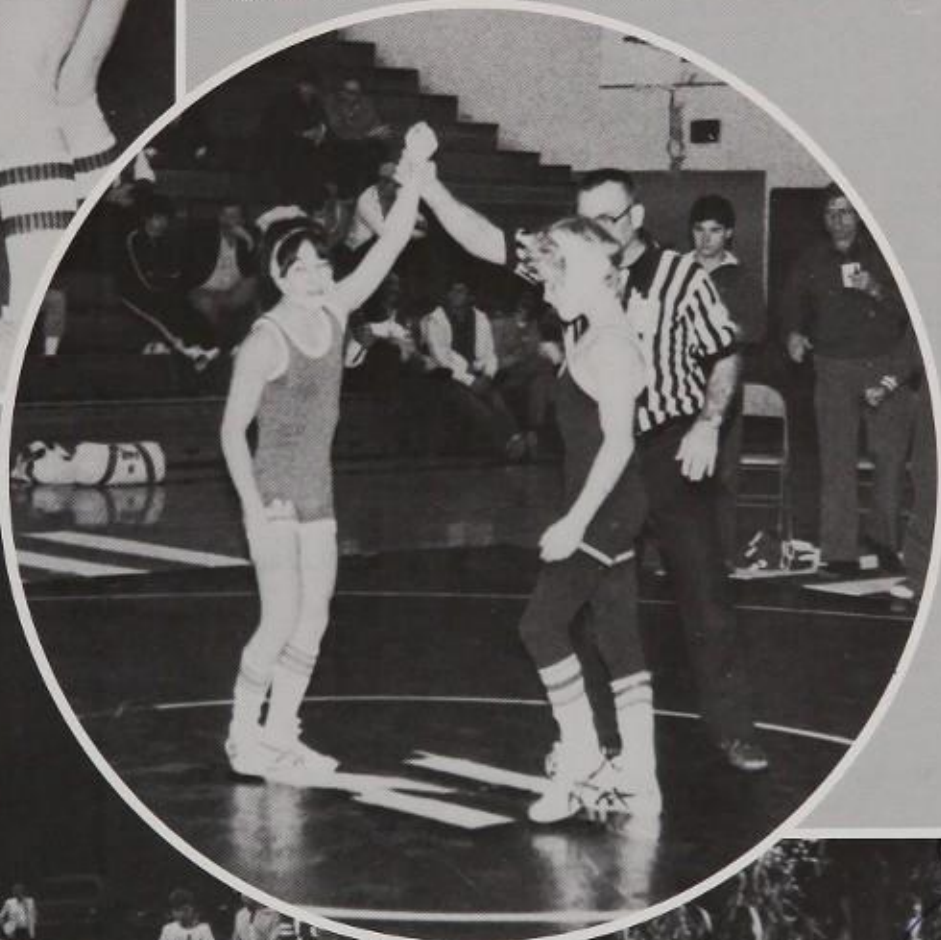

(Brother) Scott  
 well it looks like the brotherhood is nearing an end. Hard to believe eh? It's been real nice being a part of such a nobel organization. I'll treasure the moments almost as much as those spent in the K.K.K. I hope you like Indiana. Just you + the local rat + 231 races. What is there to do there anyway well, at anyrate I'm sure you'll do well. I'll be here at Crenshaw TECH. Keep in touch from college I'd like to hear from you. Love always Brother Julie

"Participating in sports takes long hours and a lot of hard work. During trying times, when you feel like quitting, you have to reach deep inside yourself and pull out that extra bit of will power and dedication. But when you win the big one, or score the winning goal, the euphoria is overwhelming. All the work seems worth the price, for you know you've experienced what many wished they could." Eric Ige

**right**-James Harper maneuvering through the defense.

"Our team had a lot of heart. We lost 3 close games by a total of 10 points, but we never quit fighting back. In the most exciting game of the year we rallied from a 21-6 deficit in the 4th quarter only to lose to South 21-20. After this, we still kept our heads up. We missed the playoffs by one game, but overall it was a most enjoyable season." Jared Johnson

The Varsity Football team had a favorable year despite starting with an inexperienced team. Good sportsmanship, teamwork, and exceptional effort put forth by tailback **James Harper**, led the team to finish with a fantastic 3-4 record. 14 school records, 12 of which were made by **James Harper**, highlighted the season. "The Varsity Football team was basically a very young team with 15 Juniors starting," commented **Coach Stephen Schmitz**, "but they were in every game and beat 2 league champions in pre-season games." Juniors such as **Bernard Johns**, **Rodney Trammel**, and **Frank Tago** displayed good potential and exhibited championship attitudes. Other outstanding members include **Darin McClelland**, **Jeff Meier**, **Dana Hufstetler**, **Ricky Jackson**, and **Jim Belch**.

**Varsity, 1st row**-Mike Bogroff, Frank Tago, Neal Maeyama, Joe Toledo, Jared Johnson, Chris Smith, Eric Nakamura, Craig Darling, Doug Hufstetler. **2nd row**-Bill Pekins, William Hooper, Jeff Jelski, Troy Fraser, Bryan Sanders, Ricky Jackson, Mike Baldwin, Carlos Mejia, Terry Jackson, Jeff Menard. **3rd row**-Don Bonanno-Assist. # Victorious in Bay League

Under the guidance of **Coach Alvillar** the Freshmen Football Team had a all-around super year. The team played with enthusiasm, teamwork, and spirit which led to a 5-1 record in the Bay League. Due to the inspiration and leadership of **James Yogi** and M.V.P. **Jim Tulette**, the team emerged as Bay League Champions.

## Sophomore X-Country

# Born to run

The Boys' Sophomore Cross-Country team didn't have as good a season as they had anticipated. **Coach Don Kasten** commented that he is looking forward to a better season next year due to the fine tenth graders and the four sophomores who are running with the Varsity team. The most outstanding runner was **Jerry Bell**.

## Girls' Varsity X-Country Striders show hope

The Girls' Varsity Cross-Country team had a difficult season. Under the guidance of **Coach Don Kasten**, the team had several winning performers despite the stiff competition. **Coach Kasten** commented that "This year's team only had three Seniors and we hope for better things next year with the rest of the team returning. **Julie Setting** had an outstanding season with the setting of a new home course record." Exceptional members include **Julie Setting** and **Leslie Lewis**.

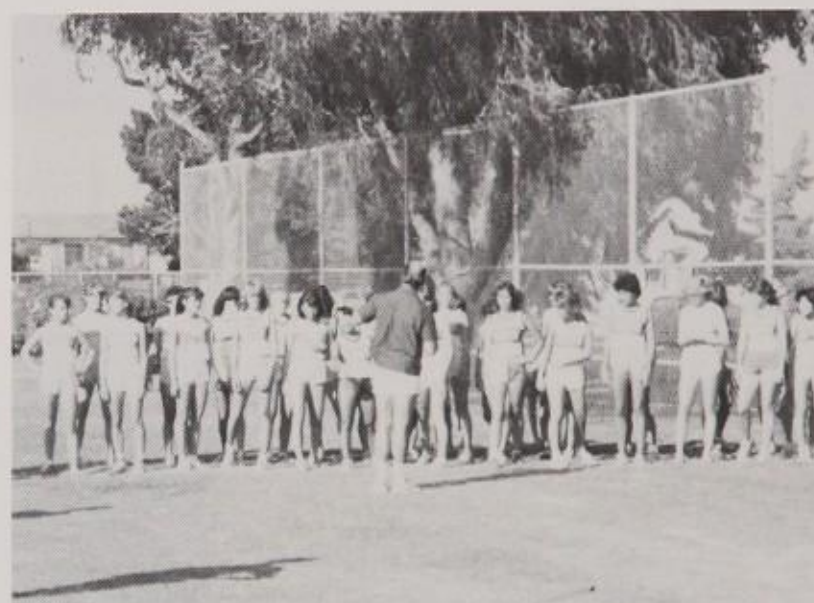

## Girls' J.V. X-Country

# Junior Varsity shows promise

Under the direction of **Coach Don Kasten** the girls' Junior Varsity Cross-Country team demonstrated a tremendous amount of spirit and potential. Outstanding performances from **Kenlyn Kollin** and **Judi Woodward** gave the striders enough motivation to overcome disappointments during the season.

"We worked and tried hard, but didn't achieve what we had hoped. We had alot of fun runs!"

The Boys' Varsity soccer team entered the season as the underdogs, but ended up being the spoilers. Playing against the toughest teams around, the team wound up beating Rolling Hills, and tying the top-ranked team, Palos Verdes. Coach **Harry Bald** commented that "this was a rebuilding year," having a team comprised of 6 seniors, 5 juniors, and 3 sophomores. The key players were **Victor Vandenberg** and **Steve Carr**. Goalie, **Ken Carr**, had outstanding performances with his saves against the tough competition.

The players of the Frosh-Soph soccer team came into the season full of enthusiasm, but enthusiasm wasn't enough. Inexperience and bad luck led the Frosh-Soph team to an unsuccessful season. The leading players on the team were **Jim Yogi** and **Wally Miller**.

"We didn't have the best of teams, our record shows that. Our coach made us run a lot so we never got fat." Eric O'Brien

The boys' Junior Varsity soccer team didn't fare as well in league competition as in the pre-season games.

**Ryan Momita**, the leading scorer provided the highlight of the season, by scoring a last second, winning goal against Culver City. Other exceptional players included **Kevin Aoyagi** and **Mark Fujii**.

"Although we didn't win many games, everyone pushed themselves to their highest potential. We never relied on a single player, but always worked together as a team. Our talent and inspiration to win should give North a #1 Varsity team next year." Mark Fujii

# Unprepared for the fight

The Girls' Varsity soccer team started the season on a high note, winning three of their first six games, but the league proved too tough. Playing in a league with two of the top ranked teams in the area, the team often wound up on the short end. Outstanding players included **Melody McGillivray**, **Beverly Nickol**, and **Nadine Kozak**.

**1st row-**Cheri Nulty, Diana Pabon, Cindy Huggins, Pat Baltes, Leah Jay, Nadine Kozak, Lisa May. **2nd row-**Helmut Kinkel- coach, Heidi Dinkel, Beverly Nickol, Deserie Devore, Inga Oamil, Jennifer Staley, Lisa James, Cheri Morgan, Melody MacGillivray, Allison Ahlers, Julie Hughes-coach.

## Girls' J.V. Soccer

# Individual stars shine

Despite a disappointing season, the Junior Varsity Girls' soccer team displayed impressive individual efforts. Outstanding players included **Michelle Warfield**, **Liz Borys**, **Loralee Lafleur** and **Zephyr Solakian**. The J.V. team worked hard and with their experience should have a bright future.

The game plan for the other teams was simple, stop **John Nojima** and you beat the Saxons. Unfortunately for them, they couldn't stop the all-world, three time All Bay-League player, and thus the Saxons enjoyed their best season in recent years. The team did fairly well in pre-season games, taking second in the El Segundo Tournament. They won their first league game, but then went into a tailspin, losing their next six games. In the second half of league play, the team played up to their potential, stunning the league by winning five of their last seven games. Besides **Nojima**, the team was led by **Scott Kebschull**, **Jeff Meier**, **Darin McClelland**, and the "Pine-brothers".

# Fast breaks are the only breaks

The Boys' J.V. Basketball team, lacking in height and experience, made up for it with enthusiasm and hustle. The team was basically a young team, starting three sophomores, **Neal Maeyama**, **Wilford Siu**, and **Duane Waiolama**, along with juniors **James Browne**, and **Randy Hata**. **Marc Cellery** and **Eric Ige** came off the bench whenever called upon. The team started off impressively in pre-season tournaments, and wound up league play with a 7-7 record. **Coach Bill Atkinson** said that, "Although our record doesn't show it, we were in every game, and with a few breaks we could have easily been 11-3."

But the loss of the promising **Kelly Oshiro** early in the season, and **Debbie Nishizaka** in a couple of games in the middle of the season hurt the teams chance for capturing a league crown. Nevertheless the team fought on using their quickness and speed, and finished in third place and qualified for the C.I.F. playoffs. They lost in the first round to a tough Lynwood team and ended up with a 16-9 record. The team, though at a height disadvantage in most games, made up for it with superior execution of the basic fundamentals. All the players contributed to the success of the team, and with a 13-1 record in league, emerged as the Champions. **Coach Rich Rosato** stated, "We had an excellent season, and I'm extremely proud of these girls."

At least once in your life you probably have felt that irresistible urge to break free from the same daily routine and go far away to another land. Well, Senior **Ryan Shiotani** fulfilled this dream by becoming a foreign exchange student to Rennes, France.

"The School Year Abroad Program was sponsored by three East Coast private schools. Most of the students who participated in the program came from private schools. Since I came from a public school, I was honored to be accepted into the program." "My family was really nice. I had four brothers and one sister; we did so many things together, like picnics, hikes, church activities, etc. My travel experiences included Normandy, Paris, Geneva, and Voutezac.

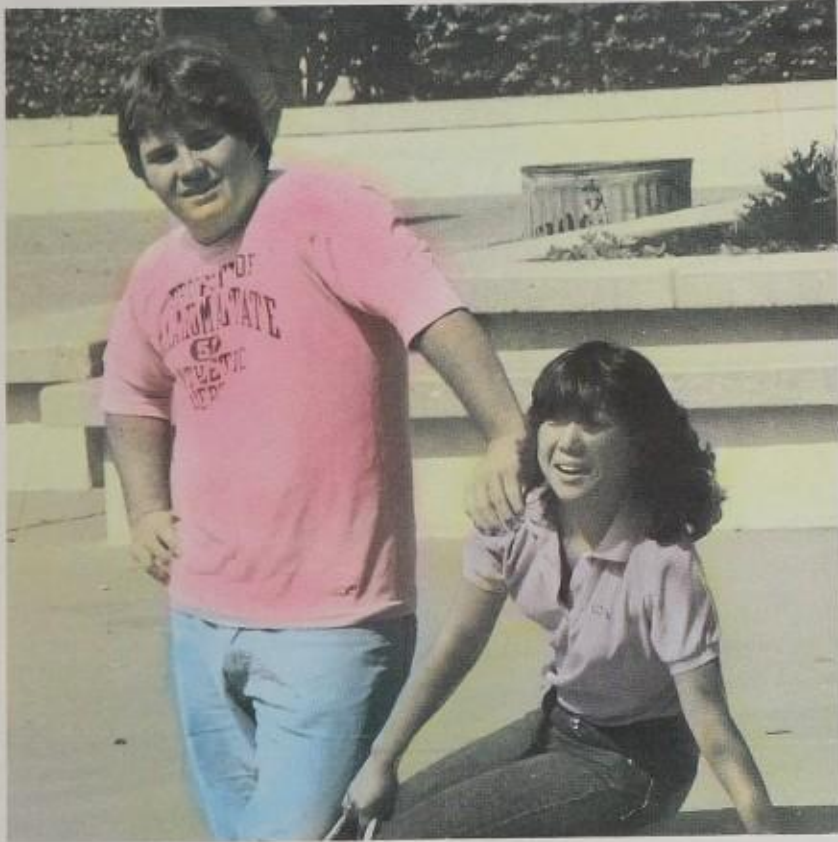

School was much more difficult in Rennes. I didn't have six periods a day, like at North, but instead I had certain classes on certain days, like a college schedule. Going to Rennes is a dream come true for me; I hope I will be able to go back soon."

Ryan was well-prepared before he left for France. He attended Le Lycee Francais de Los Angeles, Berlitz Language School, UCLA, and he took correspondence courses from several universities for learning French, Italian, Russian, and Portugese. Shiotani's travel experiences include Canada, Swaziland and other areas in Africa, and most of Western Europe. Ryan hopes to major in international relations and become an international lawyer.

Actors practice  
their fine art

Mike Van Asch and Demetri Grubbich show off their dazzling smiles.

The Drama Club is an organization which brings together people of any dramatic interest, whether it be acting, working on stage crew, or directing. Every semester, a banquet was held dealing with the initiation of members into the Thespian Club. The main bulk of the club's work involved the production of school plays which was where much of the club funds went.

"Thespian Troop 1137 is a division of the Drama Club. The Troop is an international one involving high school and junior college dramatists. A person can be initiated into the Troop by working in various plays with different jobs. After earning their way in, Thespians work hard to get additional stars to show how hard they worked. It is an honor to belong in the Drama Society and a great experience." **Gail Cottrell**, Guest writer Officers: President-**Gail Cottrell**, Vice President-**Demetri Grubbich**, Secretary/Treasurer-**Jeri M. ## Science Fiction Club

# School, the final frontier

You are now entering a new dimension of space, time, and martian martinis. Look at the classroom up ahead (K-3). You are now entering ... a Science Fiction meeting! (weird music). Let us set the scene for you. **Miss Nazon**, the club sponsor, is sitting in the back of the room while the presiding President, **Lidia Campisi**, starts the meeting. Vice President **Mona Seki** always offers suggestions, Secretary and Treasurer **Dean Evola** keeps the club log up to "star" date, and ICC Rep. **Barbara Sawyer** keeps the club members up to date with her reports.

A seemingly normal year with the Science Fiction club includes trips to the Laserium, the Ackermansion, the Change of Hobbit Book Store, sci-fi conventions, an end-of-the-semester trip to Disneyland, and an end-of-the-year banquet. In the Multicultural Fair the Sci-Fi club participated by vending Martian Martinis. You're now exiting the Sci-Fi zone! We will now return you back to the dimension of reality.

With an almost entirely new, unexperienced staff, we were faced with many unexpected and difficult problems. But with all their brilliance and talent everything somehow seemed to work out, even if it was a day or two before the deadline. We were very lucky to have such an understanding advisor, who trusted us at all times, but was always there when we needed her. I would've never been able to do any of this without my best friend, Brian Imahori.

Creating a yearbook with "personality" and "uniqueness" was not an easy task. There were times when I wished I could just forget the whole thing. But now my wish would be to do it one more time, all over again.

Hiroshi Okamoto, Editor-in-Chief

Watching a classroom of strangers develop into the fine 82-83 Valiant Staff has been a very special experience. It is a memory I'll treasure always. The people, deadlines, camaraderie, ups and downs, and just all around great times will never fade from within me.

Miss Carolyn Filling has been the most wonderful advisor and friend we could hope for. Her understanding and continual support of all our crazy ideas has proven to everyone she is a truly remarkable lady.

Lastly, there is Hiroshi Okamoto- the boss. His incredible patience and dedication were unmatched. Our super friendship seemed to make things work. How he held things together in times of utter confusion I'll never know.

I cannot express my special feelings and extreme gratitude toward this year and the 82-83 Valiant Staff enough. Thank you all.

Brian Imahori, Assistant Editor

I am extremely proud of the team effort inspired by Hiroshi and Brian, that produced this successful 1983 annual. Every member of the staff was dedicated toward one major goal: a real "class" book. The creativity and technical accomplishments speak for themselves. I am privileged to have worked with a group of students that have shown their ability to achieve. It's exhilarating, a memory I hope will never fade away.

Scott,  
Thanks for being on our team  
for if it wasn't for you we  
wouldn't be able to bag on  
anyone. Hey, I know your  
black but don't forget us white  
boys. You're a class guy, thanks  
for the good times and your  
stupid jokes. Keep the faith!

say your jokes weren't  
too dry but I'll never  
forget your Donoghue or however  
you spell it. Good Luck at  
Valparaiso and whatever you  
do in life. You're a great

Scott,  
I'm glad we got to become friends  
in Health. Mr. McCullak was  
mean to us, huh? But anyway,  
you're a real sweet guy.  
Love -

Scott - BIG FOOT - LOVEABLE REACTION -  
Gosh, I've only known you for few years!  
Man, we've had some great times, huh? Should  
be serious or sentimental, how about crazy?  
Well, we've done them all and to write about  
each one would take yrs!  
We never really compliment each other, so I'll  
take the liberty to do it. You're a very intelligent  
guy and I wish you much success! One day  
when you're rich I'll give you a car and  
we'll go out, I'll make you marry me and  
I'll live happily ever after. What's that? No?  
Well! (Get on page 5) That way you can see me!!  
Haha!!

1/20/11,

Well, the senior year is almost over and your going onward and upward. I remember when you first came to north, I'm sorry to say but you were really an Oregon hick back then, Now your a sophisticated Torrance suburb boy. Well even though your a Super genius, your real cool, and your not weird or obnoxious like OKABOJI and ME.

All these years playing basketball, and at the Prom, I wonder if your more Japanese than Black. Naw we know your black white?

Good luck in the future, I wont get to <sup>silly</sup> see you to much in Indiana but if you ever feel like writing or calling  
2602 W 164th St Torrance Ca 90504 213-323-3972  
I'll be living in a dorm!

Scott (keb)  
Well the year is over and thanks in part to you I'm graduating with my 36. Thanks for all the paper and answers during the last four years. You're really a nice person and you've got a lot going for you. You'll get no locks, no brains, personality and talent (but no locks), so if you screw up you can only blame yourself. I hope you can only blame me on something. Try not to turn into a rich Indian is great. Try not to turn into a rich Indian. I don't think you need it. Keep playing the hoop and don't turn white. Keep being a genius and get rich so you can buy yourself a Benz. Really. I want you to have a great future in college and in life. Keep in touch (324-3222) and P.S. keep playing golf. Friends, 210 W 180th Pl. Torrance Ca 90504. I want to read about Dominquez in the Michsville Journal.
